Details of Central Library

VISION

To be a centre of Excellence in Disseminating S & T information on cutting edge technologies for the national development.

MISSION

Selecting, acquiring, organizing, maintaining and disseminating all collection of printed and non-printed, primary and secondary materials that will support the educational, research for both students and the faculty

Providing an environment conducive to the optimum use of library materials and an appropriate schedule of hours of service and professional assistance

Primarily, library is a service organization and acts as a repository and hub of access to knowledge resources.

OBJECTIVES

These goals and objectives are accomplished through following actions:

- ✓ Identify, acquire, organize, preserve, and provide access to pertinent recorded knowledge to all users engaged in learning, teaching and research activities in the college.
- ✓ Right book to the Right reader at a Right time in the Right format.
- ✓ Foster idealism and strengthen the struggling aspirations of human spirit among readers
- ✓ Converting the library into an intellectual workshop
- ✓ Offer formal and informal instruction to promote information literacy.
- ✓ Communicate library services to raise awareness and promote utilization of library resources effectively.

Library Web Portal: <https://gistlibrary.wordpress.com/>

Details of ILMS

Integrated Library Management System (ILMS)

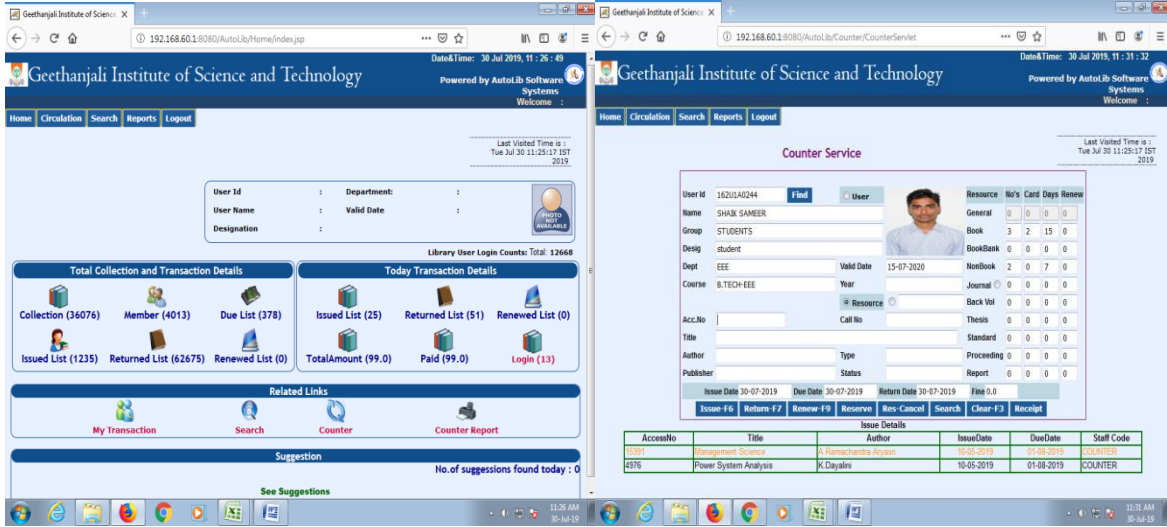

The library is fully automated with Integrated Library Management Software (ILMS) since the academic year 2016-2017, i.e. AutoLib Software designed and developed by AutoLib Software Systems, Chennai. Through the software, the library provides various services and facilities like OPAC, (Multiple Searching), e-gate, circulation, stock verification and preparation of various reports. The users can search the library online catalogue by author's name, title, subject, and other keywords within the campus through LAN. All the Departments are provided with OPAC facility to search books, journals and other reading materials available in the library. All the books, CDs, Projects, back volumes and SC Book Bank Scheme books are accessioned with barcode stickers for automatic scan during the processes of issue and return to the library for the stake-holders.

Name of ILMS Software	Nature of Automation	Version	Year of Automation
AutoLib -Integrated Library Management Software -Web Based Software	Fully	5.1	2018-2019
AutoLib -Integrated Library Management Software -Web Based Software	Fully	5.1	2017-2018
AutoLib -Integrated Library Management Software -Web Based Software	Fully	5.1	2016-2017
