## A Report on One Day Industrial Visit to Sathish Dhawan Space Center (SDSC) Shar, Sriharikota, Nellore Dist On 23-10-2019

The department of Electronics and Communication Engineering organized industrial visit for IV B.Tech ECE-A,B&C Students to "SATISH DHAWAN SPACE CENTER (SDSC) SHAR, SRIHARIKOTA, NELLORE Dist. on 23-10-2019 SDSC SHAR is one of India's primary space center subordinated to Vikram Sarabhai Space Center. Indian Research Organization-department of Space, founded by Government of India and involved in the launch complexes provide complete support for vehicle assembly, fuelling, checkout and launch operations. Apart from these, it has facilities for launching sounding rockets meant for studying the earth's atmosphere.

As a part of it, we covered SHAR LIBRARY, LAUNCH PADS 1 & 2, STATIC TEST CENTRE, TELEMETRY AND TRACKING CENTRE,SPACE MUSEUM, MISSION CONTROL CENTRE and LAUNCH CONTROL CENTRE. The technical information provided by the SDSC SHAR team is so informative and details of them are enclosed. A total number of 96 students and Four faculty members Dr.Sd.JeelanBasha, Professor, Mrs.K.Radhika, Assoc.Professor Mr.K.ChandraSekhar, Asst.Professor Mrs.D.Nagajyothi Assoc.Professor Dept.of ECE engaged the students with the assistance of Dr. S.V Subba Rao, General manager, RIS Range Operators (SDSC) SHAR, Dr. P.Raja Reddy, Controller of (SDSC) SHAR, SRIHARIKOTA, NELLORE Dist.

Finally, with the kind cooperation of the students, the coordinators and the technical team of SDSC SHAR, the visit went on successfully. We thank the management for providing such an opportunity to visit SDSC SHAR.

### Impact analysis:

- 1.The students gain beter practical exposure on signal processing and image processing to enhance their knowledge in Digital Signal Processing course and get excellent results in their curriculum.
2. The students gain beter practical exposure on Radar systems and get good results in their curriculum.
- 3.After the Industrial Visit to SDSC SHAR ,the students get motivated to appear for entrance test conducted by SHAR.

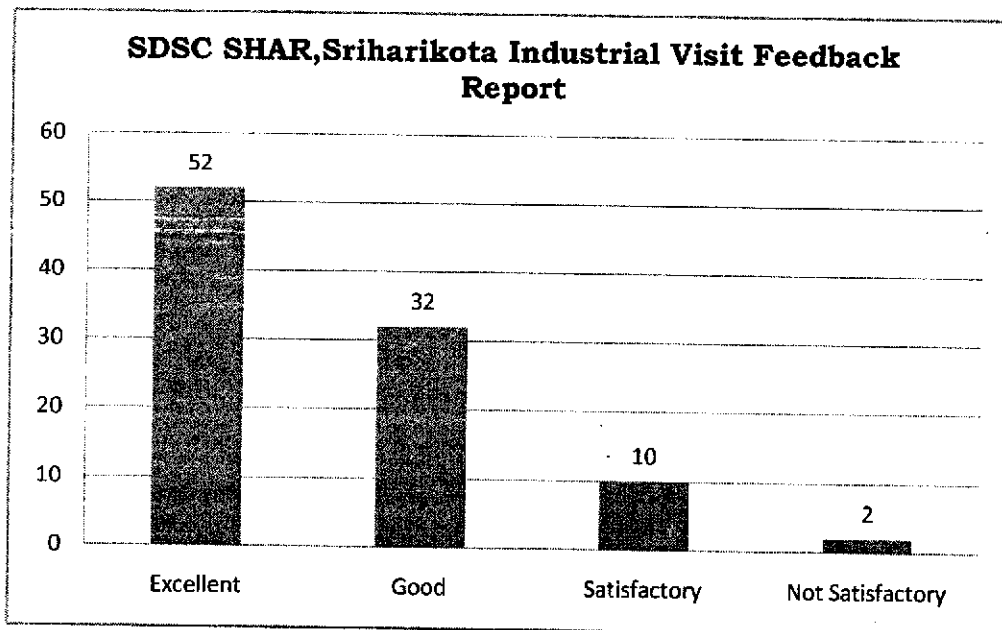

### FEEDBACK ANALYSIS REPORT

The student's feedback on Industrial Visit to "Satish Dhawan Space Centre SHAR, Sriharikota" on 23-10-2019 is presented below:

Category: Students Feedback

Total number of Students recorded feedback: 96

Total number of questions attempted: 10

From the above graph it is clear that more than 80% students gave the overall feedback as Good and the students are well satisfied with the Industrial Visit.

**Action Taken Report on Feedback Analysis**

Feedbacks are collected from the students. The received data are analyzed, the suggestions of the students are discussed in the department and then corrective measures are taken. The student-centered programmes are mostly conducted based on their suggestions and feedbacks.

S.NO	SUGGESTIONS	ACTION TAKEN
1	Need some more hours for practical sessions.	Planned to provide more industrial visits
2	This Industrial visit is very useful and to suggested to conduct from II year	In this regard, planned to Industrial Visit From II-I semester
3	This Industrial visit is very much useful	In this regard, planned to conduct Industrial Visit for the next academic year 2020-21

## A Report on NARL Visit Dated on 27/09/2019

Department of ECE had organized an industrial visit to NARL Gadanki, Tirupati for III year ECE students dated on 27/09/2019. A total number of 104 students and 4 faculty members took part in the visit. Various radar frequency operated research stations are visited by the students and faculty members and had gained some knowledge about atmospheric research through the stated visit. A team of students and faculty members Mr.G.Kiran Kumar, Assoc.Professor, Mr.K.Chandra Sekhar, Asst.Professor, Mrs.M.Suhashini, Asst.Professor, Mrs.C.Durga Tejaswi, Asst.Professor Dept.of ECE had got an opportunity to meet and interact with NARL director Dr. Amit Kumar Patra, Dr.Prasunamba, Administrative Officer, NARL and Dr.Ravi Kiran,PRO NARL. Department of ECE on behalf of college management had distributed mementos to the dignitaries as a token of remembrance.

### Impact analysis:

- 1.The students gain beter practical exposure on digital signal processing , Antennas and Radars to enhance their knowledge in respective course and get excellent results in their curriculum.
2. The students gain beter practical exposure on Radar systems.
- 3.After the Industrial Visit to NARL ,the students get motivated to appear for entrance test conducted by NARL .

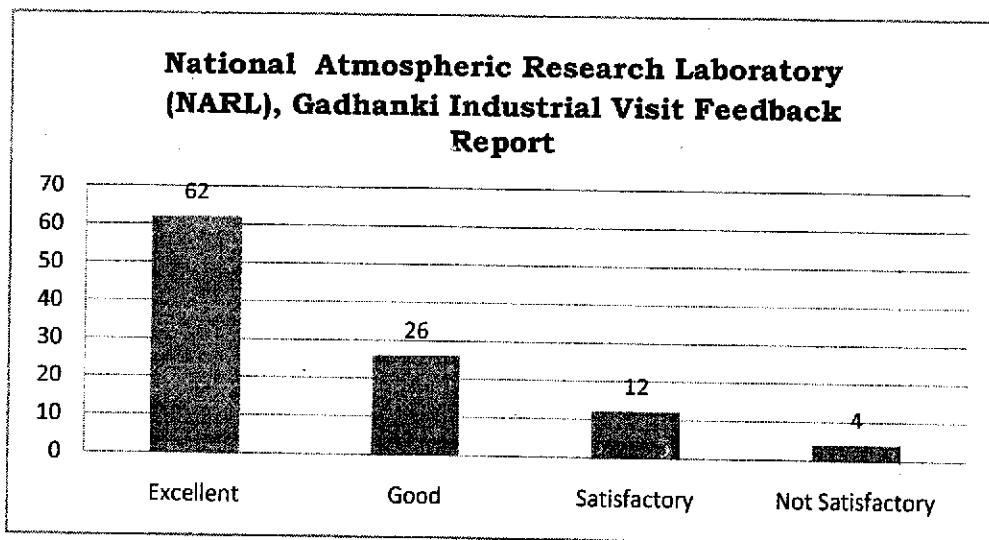

### FEEDBACK ANALYSIS REPORT

The student's feedback on Industrial Visit to "National Atmospheric Research Laboratory (NARL), Gadhanki" on 27-09-2019 is presented below:

Category: Students Feedback

Total number of Students recorded feedback: 104

Total number of questions attempted: 10

From the above graph it is clear that more than 80% students gave the overall feedback as Good and the students are well satisfied with the Industrial Visit.

**Action Taken Report on Feedback Analysis**

Feedbacks are collected from the students. The received data are analyzed, the suggestions of the students are discussed in the department and then corrective measures are taken. The student-centered programmes are mostly conducted based on their suggestions and feedbacks.

S.NO	SUGGESTIONS	ACTION TAKEN
1	Need some more hours for practical sessions.	Planned to provide more industrial visits
2	This Industrial visit is very useful and to suggested to conduct from II year	In this regard, planned to Industrial Visit From II-I semester
3	This Industrial visit is very much useful	In this regard, planned to conduct Industrial Visit for the next academic year 2020-21
