Sir/Madam,

Sub: Observations made during the auditing -Reg

After reviewing the information submitted by the department for the academic Session 2018-19 I semester and interacting with faculties of department the following observations are made by the team and requested to suggest action plan towards quality enhancement.

S.No	Items	Observations
1	Course file audit	<ol style="list-style-type: none">1. CO's need to be verified with PAC team2. CO Feedback form analysis is not found in few course files.4. Topic beyond the syllabus evidences not found.5. Gaps identification are not properly addressed for the courses.6. No evidences of slow learners and advance learners in file.
2	Lab file audit	<ol style="list-style-type: none">1. List of experiments including additional experiments and their CO, PO/PSO mapping is not available in few files.2. List of Major/Mini projects done by the students in this lab with Documentation not available.
3	Department audit	<ol style="list-style-type: none">1. Research publications by all faculty not found.2. Very few NPTEL course by faculty3. MOU activities found to be low.4. Conference is not organized.6. Add the scopus database, citations for publication support
4	Student quality enhancement audit	<ol style="list-style-type: none">1. NPTEL certifications for the students found to be very low2. It has been found that all the students are not involved in workshops, symposiums, internships.3. It has been found that remedial classes are not adequate.
5	Teaching methodologies audit	<ol style="list-style-type: none">1. Less number of teaching methodologies are used by faculty.2. Outcome of teaching methodologies is not mentioned

Other Observations:

- The number of Research Projects of the department is lacking.
- The teaching according to the academic schedule is good.
- Class room teaching is supplemented with special lecture with eminent academicians, groups discussions, paper presentation by students, industrial visits.
- Drop out rate is low.
- Wi-fi bandwidth not sufficient,
- Importance to be communication and soft skills classes found to be low.
- No visiting professors.
- No of volumes of Text books at library is not sufficient.

The academic performance of the department is required to be improved further. It may be recommended that the department should give emphasis on collecting funds for research projects as well as organizing seminars.

Nellore.

Sir,

Sub: Action plan suggested as per observations-Reg

Based on the observations received from IQAC for the AY: 2018-19 I Semester the following is the action plan suggested made towards quality enhancement.

S.No	Items	Action Plan Suggested
1	Course file audit	<ol style="list-style-type: none">1. Maintain the Result Analysis at the end of the course. It will be helpful in comparison with previous academic years and in improving the results2. Update the Course Assessment (Plan & Execution) to reach the target.3. CO's Summary need to be verified in PAC and DC meetings.4. Suggested to maintain the Topic beyond the syllabus and summary of all topic beyond the syllabus need to be maintained.5. Gap should be identified based on the pre requisites of the course and bridge between industry and curriculum. Gaps should be addressed by conducting workshop, certification courses, etc.
2	Lab file audit	<ol style="list-style-type: none">1. Update the List of experiments including additional experiments and their CO, PO/PSO mapping2. Maintain the List of Major/Mini projects done by the students in this lab with Documentation3. Update the Student and Master manual prepared by the department with additional experiments
3	Department audit	<ol style="list-style-type: none">1. Increase the number of Research publication in reputed journals by faculty. Atleast one publication per semester by all the faculty.2. NPTEL course by faculty are to be made mandatory.3. Increase the MOU's and activities in department.4. One conference should be mandatorily organized by the department.
