

Method of Computing per day usage of Library

E-Gate

Library users log-in to the library through e-gate (ILMS AutoLib 8.2V) at the entrance of the library. While entering in to the library, users can scan their Roll number (Scanning of ID Roll no. with Barcode) with the scanner provided at the entrance of the library and log-out while returning from the library. Reports will be generated on usage of the library.
