

Library and Information Centre

Percentage per day usage of library by teachers and students

A library is a place where books and sources of information are stored. They make it easier for students to get access to them for various purposes. Libraries are very helpful they include books, magazines, newspapers, DVDs, Rare Books, Competitive Books and more. Students use libraries to study. Libraries help the students to develop good reading and study habits. The libraries provide information and services that are essential for learning and progress.
