Sir/Madam,

Sub: Observations made during the auditing -Reg

After reviewing the information submitted by the department for the academic Session 2021-22 I semester and interacting with faculties of department the following observations are made by the team and requested to suggest action plan towards quality enhancement.

S.No	Items	Observations
1	Course File Audit	1. CO's framing and attainment calculations should be properly evaluated in PAC.
2	Lab File Audit	1. Additional experiments should be conducted with considering real time examples. 2. Records evaluation and day to day performance is found to be low in few files.
3	Teaching methodologies audit	Around 3 to 6 teaching methodologies are used by few faculty members.

Other Observations:

- Classes are conducted as per time table and academic schedule.
- Internal evaluation is found to be transparent.
- To increase ICT facility in first year classes.

Recommendations:

- It may be recommended that the department should give emphasis on funding on research project.
- It may be recommended that the department should give emphasis on attending conferences of good standard for all faculties and funding for research.
