ABOUT...

Ushodaya Educational Society, with decades of experience and expertise in running educational Institutes established Geethanjali Institute of Science and Technology in order to provide quality Engineering and Technical Education to the rural and underprivileged lot on par with the creamy layer of society. The College is well connected by road with NH5 at 3 KM and Mumbai State High way at about 500 Meters away. The nearest Railhead is just 5 KM away. A network of roads and a variety of transport options at regular frequency, make it accessible from different places.

VISION-MISSION

VISION

To emerge as a competent learning centre producing prospective Engineers

MISSION

DM1: Provide conceptual and practical education through effective teaching-Learning strategies

DM2: Establish adequate Infrastructural support for enhanced learning

DM3: Interact with industry for upgrading professional skills including smart grid.

DM4: Organise personality development activities for imbibing life skills and ethical values
