The following agenda were discussed:

Agenda No. 1: Welcoming the GB & New Members

The XXIII Governing Body Meeting convened in the GIST through online mode at 10.00AM, on 19th August 2023. Prof. K. Sundeep Kumar, Member Secretary, and Principal, GIST has welcomed all the esteemed members and thanked them for their kind presence. He hoped that their valuable guidance will steer this institute to one of the premier institute in the field of technical education. The Committee on its part expressed its wish to actively facilitate the development of GIST and making it one of the best Institutions in the region.

The following are the New GB Member

No.	Name of GB Member	Occupation	Designation
1	Dr.U.Penchal Reddy	Assoc. Professor & HoD/ECE, Geethanjali Institute of Science and Technology	Member

Agenda No. 2: Ratification of the minutes of previous meeting held on 19.10.2022.

Confirmation of the Minutes of the XXII Governing Body meeting held on 19.10.2022. After a brief discussion, the following resolution was passed.

Resolved that the Governing Body unanimously approved the Minutes of the XXII Governing Body meeting held on 19.10.2022.

No.	Suggestion given by GB members	Action taken
1	To Ban the mobile phones at least during exams	Strictly implemented by circulating the instructions accordingly
2	To create facility for deposition of valuables/mobiles	Created the depositing facility at the main entrance
3	To collaborate with MNC companies for student training and recruitment	Collaborated with Virtusa, a global information technology services Company for offering training on "Full stack Java"
4	To offer trainings for Core branch faculty on the Design of Electric vehicles.	Created awareness through seminars conducted on the principles of Electric vehicles and subsequently a E-Vehicle was developed by ME branch Students.
5	Establish an incubation Centre	MOU is made with the Incubation centre of SriKrishna Devaraya University Ananthapuram, to convert the innovative ideas into products. Few student batches have participated and secured prizes for presenting their innovative ideas.
6	Make the offline internship as mandatory to all students	All branch students are sent for 2 months compulsory internship in their core domains during summer vacation to enhancing their skills
7	Make the offline internship as mandatory to all students	All branch students are sent for 2 months compulsory internship in their core domains during summer vacation to enhancing their skills

8	Try to have MOU with other country universities.	Process is initiated and made MOU with IMFS, a consultancy on study-abroad education to offer coaching on GRE/TOEFL
9	Subjects can be taught by focusing more on conceptual teaching for better understanding by students.	It is absolutely true. Faculty are repeatedly oriented to focus more on conceptual teaching connecting related and interrelated concepts for logical understanding of the subject instead of covering few clusters or fragments given in the syllabus.
10	To train the faculty on new technologies from time to time.	Department wise FDPs are planned and conducted on various value added courses like "Cyber security and Big data Analytics" conducted by ECE & CSE Departments, "Non Destructive Testing methods" by ME Department, "Embedded Systems", and "PCB Design" by EEE Department etc.
11	Display boards with the message "Talk in english" can be disseminated at all prominent places of student movement in the campus.	Every day, all Departmental HoD's standing at the reception counter, welcome the students into campus with a smile asking them to speak in English while in the campus. With this measure Student Discipline and communication is improved.
12	Conduct seminars and group discussion to improve communication skills of students.	Two Soft skills hours per week are officially allotted in the time tables of all sections and the students are trained on communication skills improving their overall personality.

Agenda No. 3: Ratification of Appointments made for faculty positions since 19.10.2022.

The Innovation and Entrepreneurship Development cell organized awareness programme pertaining to "National Energy Conservation Day (India)" for III B.Tech students of all the departments and faculty members on 14th December 2022 by inviting Mr.T Subrahmanyam, M.Tech, AE, PR Projects, Podalakur, Nellore Dt. was the resource persons.

48. The Innovation and Entrepreneurship Development Cell (IEDC) organized an awareness programme on "Innovation Expertise by Entrepreneur" for III. B.Tech students of all Departments and faculty members on 23rd December 2022, by inviting Mr. P. Venkata Suman, PS Sacks Manufacture, Nellore Dt. A.P. was the resource persons.

49. First year Students from Data Science participated in a National Level Symposium organized by N. B. K. R. I. S, T, Vidyanagar on 12th April 2023 and won first and second prize in Paper Presentation contest.

50. 12 students of III ECE and 2 faculty members completed a three week course on "Basics of Embedded Systems and Robotics" as a part of MOOC through E-Yantra lab setup initiative by IIT Bombay.

51. P.Phani of CSE(AIML) Department has been selected has a Lead for Google Developer Student Club of GIST, supported by Google Team

52. E-Vehicle was manufactured by the IV ME students during the AY 2022-23.

53. The students of the Mechanical Engineering Department developed a solar operated "Coin based mobile Charger" to be used in remote locations. Using this device, uninterrupted charging of the mobile can be done by the public even during the power cuts.

54. Mr.Sk.Althaf of IV B.Tech ME student Secured All India Rank 49 in the GATE 2023 Exam and got admission in IIT Bombay.

55. P.Phani, student of CSE(AIML) has participated in "International Tech Conference" in Dubai, UAE from 4th March to 7th March 2023 and grabbed first prize in "Hackthon-Fly High Challenge" conducted as the part of the conference.

56. Students grabbed IGNITE Best Innovation award of 4th Annual Startup Jathara -2023 organized by Atal Incubation Centre - SK University, Ananthapuramu.

57. The Industry Institute Coordination Cell (IICC) organized an awareness programme pertaining to "Union Budget" on 17th February 2023 by inviting Mr. Lanka Dinakar, Economist and Financial Expert, was the resource person, around 300 students of III. B.Tech students and faculty were actively participated.

Agenda No. 8b:

**Review on the performance of different Departments: Faculty Achievements / Performance**

1. Dr.Sundeep Kumar K Principal published a patent on "A framework for the best and most efficient network offload scan made for smart wearable Internet of Things devices"

2. Dr.U Penchal Reddy, HOD/ECE published a patent on "Helmet Detection"

3. Dr.K.Sravan Kumar, Professor/ECE Department published a patent on "AI Tool for Chronic Heart Failure Detection from PCG Data"

4. Dr.K.Radhika, Professor ECE Department published a patent on "AI Controller-Based Sign Language Translator with Gesture Recognition into Speech Data".

5. Dr. Sundeep kumar K Principal published a paper titled "Facial Skin Texture and Distributed Dynamic Kernel Support Vector Machine (DDSVM) classifier for Age Estimation in Facial Wrinkles"

6. Dr. Sundeep kumar K Principal published a paper titled "An Effective Semantic Mathematical Model for Skin Cancer Classification Using a Saliency-based Level Set with Improved Boundary Indicator Function" in a International journal of Intelligent Engineering & Systems Vol.16, No.2, 2023 DOI: 10.22266/ijies2023.0430.47

7. Dr.P.M. Kishore HoD Department of S&H published a paper titled "Finite Element Analysys of Radiative Unsteady MHD Viscous Dissipative Mixed Convection Fluid Flow Past an Impulsively Started Oscillating Plate In The Presence Of Heat Source" in a Frontiers in Heat and Mass Transfer journal DOI: 10.5098/hmt.20.5

8. Dr.P.M. Kishore HoD Department of S&H published a paper titled "Transient MHD Flows Through an Exponentially Accelerated Isothermal Vertical Plate with Viscous Dissipation and Heat Source Embedded in a Porous Medium" in a Journal of Advanced Research in Fluid Mechanics and Thermal Sciences, 106(2), 153–166.

9. Dr. K Vijaya Professor Department of S&H published a paper titled "Chemical Reaction Effects on of Nanofluid Past a Permeable Stretching Sheet with Slip Boundary Conditions and MHD Boundary Layer Flow" in a International Journal of Heat and Technology (2022) 40(6) 1522-1532, DOI: https://doi.org/10.18280/ijht.400622

10. Dr.R.Rajani professor in CSE Department published a paper on title "Performance Analysis of Task Offloading In Mobile Edge Cloud Computing For Brain Tumor Classification Using Deep Learning" in Scopus journal

11. Dr.K.Radhika Professor Department of ECE presented a paper titled "Intelligent Classification of Brain Cancers by Deep Learning with Inception Network" Published in: 2022 International Conference on Computer, Power and Communications (ICCPC).
DOI: 10.1109/ICCPC55978.2022.10072278

12. Mr.M.Rajesh Asst. Prof. EEE presented a paper titled "Design and Development of a fuzzy based single phase STATCOM operator for non linear loads in standalone PV systems to improve power quality" in The IEEE sponsored OPJU international Technology conference on emerging technologies for sustainable development (OTCON 2.0) held at the OP Jindal University, Raigarh, Chattisgarh, India during 8th February to 10th February 2023.

13. Dr. Sundeep kumar K Principal published a book chapter on "The conceptual Analysis on the Challenges and opportunities of AI in Human Resources Management for Multinational Companies."

14. Dr.R.Rajani professor in CSE Department published a Book Chapter on title of "Futuristic Trends In Artificial Intelligence"

15. Dr.Rajani Rajalingam Professor in CSE Department Awarded For Reviewing The Research Articles Of The International Conference On Internet Of Things, Communication, Intelligence and Computing

16. Mr.Ch. Sreedhar, Librarian, has been selected for the best paper award in a seminar on the "Application of ICT to Transform Library Services from Traditional to Digital", organized by the Department of Library and Information Centre, Silver Jubilee Government College (A), Kurnool held on 24th and 25th March, 2023.

17. Mr.Y.V.Ramesh, Assistant professor in the Department of Computer Science and Engineering, awarded with the prestigious masters award by the Indian Institute of Technology, Bombay.
