APSSDC- CM's Skill Excellence Centre (CMSEC)

We are happy to note that Govt. of Andhra Pradesh identified 100 engineering colleges as CM's Skill Excellence centers (CMSECs) and Geethanjali Institute of Science and Technology (GIST) is one among them. This is done through the Andhra Pradesh State Skill Development Corporation (APSSDC), in the form of Information and Communication Technology (ICT) lab with 37 high configuration laptops and licensed software. This is useful to various departments of the institute in imparting skill development courses in the emerging technologies. In the academic year 2022-23 the college organized various workshops like Budling Drafting using AutoCAD, Printed Circuit Board (PCB), Python Programming, Embedded Systems, Budling Applications using Python, Web development using Django etc. GIST organized 14 skill development courses in association with APPSSDC around 864 students were benefited.
