ADMISSIONS COMMITTEE

The Admissions Committee is responsible for the graduate student admissions in the program. This committee will also develop contacts with other relevant graduate admissions committees with the goal of identifying potential candidates who would be more appropriate for the B. Tech program. The admissions committee endeavors to identify applicants from various junior colleges. Applicants to be identified by the committee and, when possible, invited to visit the campus. In addition, the admissions committee tracks the success of the admissions process each day during admissions by maintaining a database of pertinent information on the applicants. This committee reviews admission requirements for the program annually.

FUNCTIONS

1. To improve the admissions quality with well defined policies.
2. To disseminate and comply with all the rules and regulations of admissions as prescribed by Govt. and statutory agencies.
3. To create a brand value and awareness about the institute.
4. To provide best counseling to students and parents who come to seek admissions.
5. To guide the students and parents in making effective decisions
6. To guide admitted students to complete the admission procedure like paying fees, getting roll nos., getting hostel admission, getting I-card, fulfilling eligibility criteria, getting time tables etc.
