**Geethanjali Institute of Science and Technology**, Nellore, an engineering college established in 2008, has the mission to provide quality technical education and foster innovation and research among its students. It is represented by the principal (Hereinafter referred to as "**GIST**" which expression, where the context admits shall include its successors in interest and permitted assigns) as the **SECOND PARTY**.

**WHEREAS** The **AIC-SKU** is one of the premier Incubation Centre in the region identified by NITI Aayog, Govt of India and is engaged, inter-alia, in developing the entrepreneurial ecosystem in the region in diverse areas of science & technology.

- a. Incubating technology based novel ideas
- b. Promoting interaction with and resourcing technology and expertise from the incubatees
- c. Creating jobs in rural sector through enterprise and entrepreneurship development
- d. Providing incubation services and promoting start-ups

**WHEREAS**, the Second Party considers and identifies the first party as an expert institution for incubating the start-ups with specialized knowledge in the research, innovations, IPR, funding, marketing, and other niches of the startup ecosystem, shows interest to collaborate with the first party in order to work together towards building robust entrepreneurial and startup ecosystem at GIST.

**WHEREAS**, both the parties agree to enter into a Memorandum of Understanding to work jointly towards a common goal to foster entrepreneurship among the student community and faculty members through various sensitization and engagement programs, innovation and immersion programs and other knowledge exchange programs.

**NOW, THEREFORE, THE PARTIES TO THIS AGREEMENT HEREBY AGREE TO SET IN THE TERMS AND CONDITIONS HEREUNDER:**

1. AIC-SKU and GIST agree to work closely in undertaking the following activities:
  - a. Developing Enterprise and Start-up ecosystem in the GIST.
  - b. Training and development program for Students and faculty on entrepreneurship in GIST and other interested parties or institutions of similar nature,
  - c. Supporting, mentoring, networking and incubating the start-ups of the GIST and other interested parties or institutions of similar nature.
  - d. Possible Commercialization of already available products in GIST

2. The GIST and AIC-SKU agree to work closely, exploring their available resources on mutually agreed terms, to arrange and organize the activities as mentioned in Annexure I covering the topics related to Innovation, entrepreneurship, and venture development.

AIC-SKU and GIST will spearhead the process of motivation, ideation, prototype development, business planning, necessary training through internships and events, and mentoring students and faculty towards entrepreneurship.

### 3. Outcomes

This MoU is expected to have the following outcomes:

- Flourishing entrepreneurial culture
- Create a Repository of ideas
- Building up of IP assets for GIST
- Spin-off of technologies from the GIST through the Innovation center
- Curation of mentors and experts in different domains
- Incubation of matured ideas/pre-incubatees from GIST at AIC-SKU
- Setting up of an Incubator at GIST to cater the business needs of the startups
- Revenue generation to the GIST through the Innovation center
- Impact of the GIST on the economic wellbeing of the region

### 4. Space & Basic Infrastructure

AIC-SKU will provide limited space, facilities and basic infrastructure in support of this initiative at AIC-SKU campus. AIC-SKU shall extend its office space and facilities for the conduction of different programs such as training, exhibition, and not for any other reasons.

GIST shall provide the necessary space; assign manpower and facilities to conduct the programs mentioned in the agreement. It also shall extend its laboratories, workshop, and expertise for the entrepreneurs to develop their products.

### 5. Financial Implications

The models of engagement agreed between AIC-SKU and GIST as shown in **Annexure I**. The activities that are mentioned in the agreement for fostering an entrepreneurial ecosystem in the campus will be conducted by AIC-SKU and GIST jointly as part of any of the models of engagement.

The academic partner, as in this case GIST, shall bear all the expenses towards the travel and accommodation to their staff and students during any programs physically conducted at AIC-SKU. The working lunch and snacks will be at the scope of AIC-SKU.

### 6. Execution of the Partnership

To achieve the better outcomes, AIC-SKU has designed various curated programs to be implemented under this partnership for various stakeholders.

ANU shall mention the logo and the partnership with AIC-SKU in all its PR media such as brochures, flexi, social media sites relevant to the innovation cell/incubation centre events and programs.

## 10. Resolution of Disputes

Any disputes or differences shall be resolved amicably by mediation and discussion between the Parties. If not, amicably settled within sixty (60) days of the dispute or claim arising, such dispute or claim shall be decided by a sole arbitrator appointed mutually in accordance with the provisions of the Indian Arbitration & Conciliation Act, 1996 (as amended). This Agreement shall be governed by Indian laws.

## 11. Confidentiality

- a. During and for a period of three years from the date of termination of this Agreement, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
  - is in the public domain at the time of disclosure or comes within the public domain without the fault of the receiving party.
  - is already known or become known to the receiving party
  - is received from a third party having no obligations of confidentiality to the disclosing party,
  - is independently developed by the receiving party; or
  - is required to be disclosed by law or court order.
- c. The parties acknowledge that the 'Confidential Information' is proprietary to the disclosing party, has been developed and obtained through great efforts by the disclosing parties, and that disclosing party regards all of its confidential information as trade secrets. Disclosure of the information to other parties cannot be treated as granting or conferring any rights by license or otherwise, express or implied, regarding any idea made, conceived, or acquired prior to or after the effective date, nor as granting any right with respect to the use or marketing of any product or service.
- d. Neither of the Parties shall use the name or logo of the other for any purpose whether in relation to any advertisement or other form of publicity without obtaining the prior written consent of the other Party
- e. The provisions of this Article will not apply to any information in the public domain; information in the possession of the receiving Party prior to the disclosure of the information; information which is independently developed by the receiving Party; information required to be released by law; and information which is rightfully received by receiving Party from third parties without any breach of confidentiality obligations. This section will survive the expiration or termination of this MoU for one (1) year from the date of expiration or termination of this MoU.

## 12. Force Majeure

In the event that either Party is delayed or impeded in the performance of its obligations hereunder by any cause beyond its reasonable control, it shall be entitled to such extension of time for such performance as may be fair and reasonable in all the circumstances.

## 13. Indemnity

Parties to the MoU, hereby undertakes and agrees to indemnify one another, and their personnel, consultant, agents, funders, and associated parties under this Agreement and hold them harmless and keep them at all times fully indemnified from and against all actions, proceedings, claims (including any claims raised by third parties), liabilities (including statutory liability), penalties, demands and costs (including without limitation, legal costs), awards, damages, losses and/or expenses however arising directly or indirectly, including but not limited to as a result of:

**Institution's Innovation Council – IIC  
2024 - 2025**

**Institution's Innovation Council (IIC) - An Initiative of Ministry of Education**

The Institution's Innovation Council (IIC) is an initiative launched by the Ministry of Education's Innovation Cell (MIC) to systematically promote innovation, entrepreneurship, and start-up culture among higher educational institutions (HEIs) in India. The IIC framework aims to create a vibrant local innovation ecosystem and foster a culture of innovation through structured activities.

**1. Functions of the Institution's Innovation Council (IIC)**

1. Promoting Innovation & Startups: Encouraging students and faculty members to develop innovative ideas and establish startups.
2. Collaboration & Networking: Building networks with industry, academia, and government bodies to facilitate knowledge-sharing and mentorship.
3. Capacity Building & Training: Conducting workshops, training programs, and awareness sessions on innovation, entrepreneurship, and intellectual property rights (IPR).
4. Competitions & Hackathons: Organizing innovation challenges, hackathons, ideathons, and boot camps to foster problem-solving skills.
5. Monitoring & Evaluation: Assessing the impact of innovation-related initiatives and improving institutional policies accordingly.
6. Funding & Incubation Support: Facilitating access to grants, seed funding, incubation centers, and venture capital for promising startups.
7. Integration with National Missions: Aligning innovation efforts with national programs like Atal Innovation Mission (AIM), Startup India, Make in India, and Digital India.

**2. Objectives of the Institution's Innovation Council (IIC)**

- To create a sustainable innovation ecosystem in educational institutions.
- To develop an entrepreneurial mind set among students and faculty.
- To promote interdisciplinary research and knowledge exchange.
- To facilitate industry-academia linkages for collaborative innovation.

- To integrate innovation and start-up culture into the academic framework.
- To provide mentorship and guidance for idea validation, prototype development, and commercialization.
- To align institutional innovation efforts with global best practices and national innovation policies.

### **3. Deliverables of Institution's Innovation Council (IIC)**

- Establishment of a structured Innovation & Start-up Policy in the institution.
- Organizing minimum four innovation & entrepreneurship-related activities each academic year.
- Participation in national and international innovation challenges.
- Setting up pre-incubation and incubation facilities within the institution.
- Submission of innovative ideas and prototypes for funding opportunities.
- Building intellectual property (IP) portfolios by supporting patent filings.
- Publishing innovation reports and success stories of start-ups.
- Encouraging students and faculty to engage in technology transfer and commercialization.

### **4. Roles & Responsibilities of the Convener of IIC**

The Convener is the head of the Institution's Innovation Council and is responsible for its overall planning, execution, and success.

Key Responsibilities:

- Providing strategic direction and ensuring the smooth functioning of IIC activities.
- Acting as the liaison between the institution, government bodies, and industry partners.
- Identifying and mobilizing resources, including funding and mentorship support.
- Supervising and monitoring the implementation of IIC initiatives.
- Conducting periodic meetings and reviewing the progress of innovation programs.
- Ensuring compliance with Ministry of Education guidelines.
- Encouraging the active participation of faculty and students in innovation-related activities.
- Promoting a culture of entrepreneurship within the institution.

### **5. Roles & Responsibilities of Faculty Members in IIC**

Faculty members play a crucial role in guiding and mentoring students toward innovation and entrepreneurship.

Key Responsibilities:

- Organizing and conducting workshops, seminars, and training programs on innovation and startups.
- Providing technical and managerial mentorship to students working on innovative projects.
- Encouraging students to participate in hackathons, startup competitions, and innovation challenges.
- Assisting in the development of business models, prototypes, and market strategies.
- Collaborating with industries and start-ups for internships, mentorship, and funding support.
- Supporting students in intellectual property (IP) generation and patent filing.
- Coordinating with the institution's incubation centre to help students commercialize their ideas.
- Documenting and reporting innovation activities as per IIC guidelines.

## **6. Roles & Responsibilities of Student Members in IIC**

Student members are the driving force behind the innovation and entrepreneurship ecosystem in the institution.

Key Responsibilities:

- Actively participating in innovation programs, competitions, and events.
- Developing and pitching innovative ideas for incubation and funding.
- Engaging in interdisciplinary collaboration to enhance creativity and problem-solving skills.
- Contributing to the institution's innovation ecosystem by initiating new projects.
- Assisting in the organization of workshops, hackathons, and knowledge-sharing sessions.
- Building networking relationships with start-ups, entrepreneurs, and industry leaders.
- Promoting innovation awareness among peers through student clubs and forums.
- Documenting and sharing success stories to inspire fellow students.

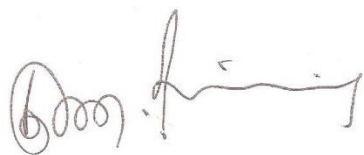

The Institution's Innovation Council (IIC) plays a vital role in fostering a culture of innovation and entrepreneurship in educational institutions. Through structured policies, programs, mentorship, and networking, IICs empower students and faculty to contribute to the nation's start up and innovation ecosystem. The success of an IIC depends on the collaborative efforts of conveners,

faculty, and students in implementing innovation-driven initiatives that can transform ideas into impactful solutions.
