IQAC Initiatives (Academic Year 2024–25)

1. **Participation in NIRF Ranking (2024–25)**

   o Data compilation and submission for National Institutional Ranking Framework (NIRF).

   o Encouraging departments to track performance indicators like research, graduation outcomes, and outreach.

2. **Organization of FDP on Outcome-Based Education (OBE) using AI Tools**

   o Faculty Development Programme to train faculty in mapping COs, POs, PSOs using AI tools.

   o Workshops on AI-powered rubrics, assessment planning, and Bloom's Taxonomy alignment.

3. **AQAR Preparation and Submission for 2024–25**

   o Timely collection of data for Annual Quality Assurance Report (AQAR).

   o Coordination with all departments and committees for qualitative and quantitative metric reporting.

4. **NBA File Updating for Accredited and Pre-accredited Programs**

   o Regular review and update of SAR-related files.

   o Collection of course files, attainment records, and CO-PO mapping data.

   o Compliance checks for documentation and evidence generation.

5. **Internal Quality Audits by External Faculty (Academic and Administrative)**

   o Semester-wise internal audits conducted by senior faculty from other institutions.

   o Evaluation of course delivery, lab maintenance, documentation, and stakeholder feedback.

   o Action Taken Reports (ATRs) shared with departments for continuous improvement.

6. **Stakeholder Feedback Collection and Analysis**

   o Systematic feedback from students, alumni, employers, and faculty.

   o Implementation of improvement measures based on feedback trends.

7. **Promotion of Research and Innovation Culture**

- o Support for faculty research proposals, patents, and journal publications.

- o Encouraging interdisciplinary projects and participation in technical events.

8. **Green Campus and Sustainability Initiatives**

- o Implementation of energy-saving, waste management, and water conservation practices.

- o Integration of sustainability topics in curriculum and extension activities.

9. **Curriculum Review Workshops**

- o Alignment of curriculum with industry needs and NEP 2020.

- o Inclusion of emerging technologies and value-added courses.

10. **Student and Faculty Mentoring Systems**

- Strengthening mentor-mentee processes for academic and personal support.

- Regular progress reviews and counselling sessions.
