

GEETHANJALI INSTITUTE OF SCIENCE & TECHNOLOGY::NELLORE
Entrepreneurship Development and Incubation Cell

Orientation Program: Ignite 9.0 & and AIC-SKU visit

The Entrepreneurship Development and Incubation Cell (EDIC) of Geethanjali Institute of Science and Technology (GIST), Nellore attended orientation Program: Ignite 9.0 & and visited AIC-SKU, Anantapur.

Following this initiative, AIC-SKU invited applications from students aspiring to pursue entrepreneurship as a career. A total of 15 student teams applied, out of which 10 teams (30 students) were shortlisted for the prestigious Ignite 9.0 Programme.

From these, 8 teams (24 students) of GIST successfully participated in Ignite 9.0, on 25th August 2025 organized by AIC-SKU, Anantapur. The programme commenced on 25th August 2025 and to be concluded on 10th October 2025.

As part of Ignite 9.0, the selected students attended a One-Day Orientation Program at AIC-SKU, which included:

- Motivation sessions
- A guided AIC-SKU campus tour
- Visit to a startup facility
- A special session on Entrepreneurship as a Career Option

Further, the Ignite 9.0 sessions were carried out in online mode daily from 2:00 PM to 3:30 PM at GHUB of GIST, providing continuous learning and interaction opportunities for the participants.

This prestigious initiative focused on entrepreneurship and career development, inspiring students to explore entrepreneurial careers and equipping them with valuable skills for their future endeavors.

The program was coordinated by Dr. P. Chakrapani, Dean – Industry Institute Interface & Incubation (III), and Ms. D. Suma Lalitha, Member of III.

On this occasion, Dr. G. Subba Rao, Director of GIST, appreciated the dedicated efforts of the faculty coordinators and congratulated the participating students for their enthusiasm and commitment.
