Report on International Women's Day Celebrations 2026

The Women Protection Cell (ICC) of Geethanjali Institute of Science and Technology conducted International Women's Day, a global celebration, honors women's achievements, empowerment, and societal contributions. Through inspiring speeches, panel discussions, and activities, it fosters awareness, unity, and resilience. This platform addresses challenges, promotes inclusivity, and celebrates women's remarkable accomplishments worldwide.

The celebration began with a welcome address to Prof. G. Subba Rao, Director of the institution and he spoke about how women are actively participating in all aspects and how they play key roles like IAS, IPS, etc. The session was successfully organized with the support and encouragement of Prof. D. Srinivas Principal and he spoke about how women are active in their profession and in family responsibilities. The program was organized under the supervision of WPC Chairman Dr.K.Vijaya. Faculty members and girl students gathered at the New Seminar Hall, reflecting keen interest in the theme of the programme.

Various activities were organized to mark the occasion. Essay writing, Mehendi competitions, Cooking without fire competitions were conducted and more than 200 students are participated in various events. Prizes were distributed to the winners of the events. Cake cutting was done with the women faculty and girl students. Students, faculty members, and staff actively participated in the event. The enthusiasm and involvement of participants made the program lively and meaningful.

Outcome of the Programme:

Enhanced International Women's Day celebrating achievements, raising awareness, advocating for change, empowering economically, and renewing commitment to women's rights.
